[COVID-19 Resurgence Wage Subsidy](#)

A 2-week COVID-19 Resurgence Wage Subsidy payment is available nationally for employers, including self-employed people, who are financially impacted by the resurgence of COVID-19 and changes to COVID Alert Levels.

Employers who have had, or expect to have, a revenue drop of at least 40% because of COVID-19, for a 14-day period between 12 August to 10 September 2020, compared to a similar period in 2019, can get it. [The 2-week payment runs from the date you apply.](#)

The Resurgence Wage Subsidy is for employers who aren't already getting the Wage Subsidy, Wage Subsidy Extension or the Leave Support Scheme for their employee.

It's open to employers throughout New Zealand. [Applications opened at 1pm on 21 August 2020 and will close at 11.59pm on 3 September 2020.](#)
